WHAT IN THE WORLD IS AN ARCHAEOLOGIST?

ACTIVITY (22)

Chris Chameleon loves to learn about the past. He is very interested in learning about the ways that people lived in ancient history. His mom told him he should be an Archaeologist when he grows up. You're probably thinking...*what in the world is an archaeologist?*

Archaeologists study people from all different parts of the world and throughout time. They find and study "**artifacts**" (items that people in the past left behind) to discover how those people lived, what they wore, when they hunted or farmed, how they built their homes, what toys their children played with, and what they believed in.

Now, just for fun, see how many words you can make using the letters in ARCHAEOLOGIST. We gave you one to get you started.

ARE YOU A GOOD STUDENT?

ACTIVITY (25)

Trying hard and being a good student now will help get you ready for middle school, high school, and your future job. Are you a good student?

Write 'A' for Always

Write 'S' for Sometimes

Write 'N' for Never

_____ I do my homework.

_____ I ask and answer questions in class.

_____ I have what I need for class with me.

_____ I get along well with my teachers.

_____ I am happy with my grades.

_____ I have good attendance.

Scoring:

Give yourself **2 points** for each "always," **1 point** for each "sometimes," and **0 points** for each "never." **Put your point total here.** _____

10-12 points: You are a very good student. Keep up the good work!

7 – 9 points: You are doing pretty well, but could be doing a bit better.

3 – 6 points: You are probably not getting very good grades. Use your Planner to keep track of your homework, and talk to your teachers about ways you can improve.

0-2 points: You need to start RIGHT NOW to improve your study habits. Talk to your teacher about things you can do to get better grades.

WHAT ARE VALUES?

ACTIVITY (26)

A value is something that means a lot to you. When deciding what you want to do when you grow up, you should think about your values. If a job fits your values, you'll like it better. Below is a list of some work values. Put a check next to the ones that are most important to you.

_____ I'd like a job where I take risks.

_____ I'd like a job where I could choose my hours of work.

_____ I'd like a job where I help people with problems.

_____ I'd like a job where I earn a lot of money.

_____ I'd like a job that involves working with my hands.

_____ I'd like a job that involves traveling a lot.

_____ I'd like a job where I do the same things every day.

_____ I'd like to lead others.

_____ I'd like a job that allows me to be creative.

_____ I don't want to do the same thing every day.

_____ I'd like a job that involves working as a team.

_____ I prefer to work alone.

YOUR LEARNING STYLE

ACTIVITY (27)

In school, Roxy Fox enjoys projects that involve working with her hands. She said she learns things better that way. Now on the other hand, Chris Chameleon would rather listen while his teacher explains something, and Lemar Lemur likes to study charts or watch videos. How do you like to learn?

1. If I have to learn how to do something, I learn best when I:

- A. Watch someone show me how.
- B. Hear someone tell me how.
- C. Try to do it myself.

2. Your class is learning about the seven continents and four oceans. Would you rather:

- A. Listen while your teacher reads a story about the continents and oceans.
- B. Put together a puzzle to learn about where each continent and ocean is located.
- C. Watch a video about the seven continents and four oceans.

WORD SCRAMBLE – SCHOOL SUBJECTS

ACTIVITY (28)

Dr. Marty Mole told his students that one good way to start preparing for a successful future is to go to school everyday and to try to do well in every school subject. Below is a list of scrambled school subjects. If you can unscramble all of them, your teacher will give you a Marty Mole sticker.

1. tamh _____
2. ceniesc _____

5. Hand in your homework on **t** ____ ____ ____ .

TEST TAKING TIPS

ACTIVITY (30)

Roxy Fox always makes sure to study for her tests, and when her mom quizzes her on the material the night before, she always seems to know it. When it comes time to take the test, however, she forgets everything and panics. Has this ever happened to you? Don't feel bad, it happens to a lot of students. Fill in the blanks to find some things you can try doing to help you.

1. S _ _ _ _ each night for several nights before the test.
2. Make up a practice t _ _ _ of what you think may be on the actual t _ _ _ , and take that the night before.
3. Make sure to get enough s _ _ _ _ the night before the test, and e _ _ _ a good breakfast.
4. Before you start the test, take a few deep breaths and picture yourself doing w _ _ _ .
5. R _ _ _ the directions carefully. If you don't understand them, ask the t _ _ _ _ _ _ to explain.

MATH TEASER

ACTIVITY (31)

Roxy Fox's favorite school subject is Math. She is a whiz when it comes to working with numbers. How are your math skills? Check them out by completing the brain teaser below, but be careful!

**Do this math in your head only --
DO NOT write it down.**

- Take 1000 and add 40 to it.
- Now add another 1000.
- Now add 30.
- Another 1000.
- Now add 20.
- Now add another 1000.
- Now add 10.

What is the total? _____

BRAIN TEASER

ACTIVITY (32)

Lemar Lemur loves to challenge his mind with brain teasers. He has excellent problem solving skills, which is a good trait to have since many jobs require those skills. See if you're as good at brain teasers as Lemar. If you can figure out all 5 of the names below, your teacher will give you a Lemar Lemur sticker.

Does your first name have another meaning, as in the name Norm, which also means average? Use the clues below to see if you can figure out these names.

1. This name also means a thin beam of light, starts with "R"

2. This name is something you eat on a bun, also called a "hot dog"

3. This is a name of a cartoon character, and it is also a ball hit out of the park

4. This name means "happiness," starts with "J"

5. This name is also a flower often sent on Valentine's Day

SAVING FOR THE FUTURE

ACTIVITY (33)

Since Sadie Ladybug thinks she would like to be an entomologist when she grows up, her parents already started saving money for her to go to college. She started saving, too. When she gets money for her birthday or another special occasion, she puts it into her own savings account that her parents helped her open.
